On both Easter days, all standard pickup appointments and drop-off appointments at a sorting center will be canceled.

- On Easter Sunday, we are closed.
- On Easter Monday, our sorting centers are only open for parcel drop-offs. Will you be open that day as well? Make sure to request your pickups before March 17, 2025, via the pickup service module in Mijn PostNL Zakelijk.

King's Day service update

On Saturday, April 26, we will be closed for King's Day, a national holiday. There will be no parcel pickups or drop-offs at our sorting centers.

See the following page for more information.

Labour Day

On Thursday, May 1, it's Labour Day. While this is not an official holiday in the Netherlands, it is in many other European countries. As a result, PostNL Belgium will be closed that day. Parcels dropped off at PostNL Belgium on Wednesday, April 30, will be delivered on Friday, May 2. However, you can still drop off parcels in the Netherlands on Thursday, May 1.

Closed on Liberation Day

This year Liberation Day is a national holiday, so we will be closed. There will be no deliveries, pickups, or parcel drop-offs at sorting centers.

Adjusted processing for Pentecost

On both Pentecost days, all standard pickup appointments and drop-off appointments at a sorting center will be canceled.

- On Pentecost Sunday, we are closed.
- On Pentecost Monday, our sorting centers are only open for parcel drop-offs. Will you be open that day as well? Make sure to request your pickups before May 2, 2025, via the **pickup service module** in **Mijn PostNL Zakelijk**.
